

## OLD TIMERS' NIGHT IS BIG SUCCESS

Robert J. Nash Gives Talk on  
Development of Narberth;  
65 Present.

### PLAN NEW FEATURES

The Old-Timers night at the meeting of the Harold D. Speakman Post of the American Legion proved to be a great success. About 65 turned out full of enthusiasm and ideas to make the post hum. The feature of the meeting was the talk by Robert J. Nash on the development of Narberth.

Various plans were submitted to stimulate and maintain interest in the post. Among them were the following: The formation of a rifle team, baseball games sponsored by the Legion with former Narberth luminaries playing the Narberth league team, and an open house get-together once a month in addition to the regular business meeting.

It was suggested that the next regular meeting on March 26 be a "Gob's" meeting. A committee appointed to arrange this consists of William Fretz, Perry Redifer and John Nash—all ex-gobs.

Mr. Nash in his talk commented on the civic improvements that have taken place in Narberth during the last 17 years, the time of his residence here. "The improvement of the business section along Haverford avenue; the development of Narbrook park, one of the finest suburban developments in this section of the country; the development of the 'south side' by William D. Smedley; the adoption of a zoning ordinance by the borough are some of the outstanding improvements that have come once during that time," the speaker said. "Narberth was the first community on the Main Line to have zoning and its desirability and wisdom have been proven by the adoption of zoning regulations."

## ASKS MERCHANTS TO BACK SERVICE

Collection Agency Seeks to Put in  
Credit System for Main Line.

Inauguration on the Main Line of a collection service described as 9 per cent. prevention and one per cent. cure, was advocated by Charles S. Cook, of the Creditors' Service Association, at the February meeting of the Narberth Board of Trade, held Monday night in the Narberth Theater Hall. With only 13 members present, little business was transacted at the meeting.

"Between 60,000 and 70,000 residents of the Main Line, from Bala to Paoli, will be listed in a book giving credit ratings, property holding, occupations and other facts of value to retail merchants," Mr. Cook stated in the course of his address. He asserted that adoption of the new service will effect an 80 per cent. efficiency increase in bad-debt collections on the Main Line.

"Information on credit ratings here will be available within three months after endorsement of the system by local merchants," Mr. Cook promised, "and a new book giving revised ratings will be published each year."

"Credit losses in the United States have exceeded fire losses for the last 13 years. Since 1919, the excess of wholesalers alone was one and a half billion dollars. Credit losses by wholesalers last year were greater than twice the cost of the Panama Canal; they amounted to \$3640.12 for each minute of every 10-hour working day in the year," he said. "To remedy the evil prevention is needed."

### SOCIAL HYGIENE IS SUBJECT

Dr. Phyllis Blanchard, chief psychologist of the All-Philadelphia Child Guidance Clinic, will be the speaker at the next meeting of the Mothers' Council. The subject will be social hygiene.

The meeting will be held on Monday evening, March 12, at 8 o'clock in the Narberth school. It is open not only to members but to all who are interested.

### Addressed Legion

Robert J. Nash, of Narberth and Price avenues, former president of the Philadelphia Real Estate Board, who told the local legion post of Narberth's growth during the past 17 years.

## TUNNEL AT DUDLEY URGED BY WOHLERT

Nurseryman Points to Congestion at Essex; Would Widen Dudley.

### CITES BORO'S LOCATION

A widened Dudley avenue and a tunnel at that street were advocated by A. E. Wohlert, local nurseryman, at the meeting of the Narberth Board of Trade on Monday evening, February 27, at the Narberth Theater hall. The need for the tunnel is not immediate, but it should come at Dudley rather than Essex avenue because the latter is already too congested, and with the neck of the bottle effect it would be utterly impractical at Essex avenue, the speaker pointed out.

"One should consider that more undeveloped farm lands lie in and around Narberth than any other suburb on the Main Line, and this means that Narberth has greater opportunity for expansion than any of its neighbors. With the population of the suburbs increasing twice as fast as that of Philadelphia, immediate provision for the future is imperative," Mr. Wohlert said.

"Because real estate turnovers are slow at the present time it is no indication of what will take place ten or twenty years from now. Narberth has an exceptionally strategic position in relation to the city, and all of the adjacent farm lands are within twelve miles of the City Hall by motor. The day is not far distant when Narberth will be built up solid with apartment houses and Dudley avenue will be part of the business section. Widening this street twenty feet now is a small matter in providing for the future."

### GET MYSTERIOUS PACKAGES

A number of Narberth residents have received mysterious packages through the mails during the past week. Emanating from an unknown Chicago address, these parcels arrive C. O. D.

During the past year there have been a number of shipments of unsolicited merchandise into the Main Line. These former lots, on a buy-or-return basis, found their way by the hundreds into convenient scrap baskets.

The new game, though, seems to be to send the articles C. O. D., knowing that once the recipient innocently pays the fee, the parcel is accepted, and nothing can be done about it. Wise patrons of the local post office, when the unknown parcels arrive, are refusing them.

### KING'S DAUGHTERS ASSEMBLE

The regular meeting of the Evangel Circle of King's Daughters will be held Wednesday, March 7, at 11 o'clock at the home of Mrs. William B. Joslyn, 110 Elmwood avenue. The word for the rollcall is "Sin." Luncheon will be served at 12.30.

The benefit held at the Narberth Theater netted the Circle \$82.35.

## Wants Lower Merion to Get Busy on Chestnut Hill-Main Line Bridge

Quickening of Lower Merion's interest in the proposed Chestnut Hill-Bryn Mawr bridge over the Schuylkill, was urged by Howard Strong, Narberth, regional planning director, in a speech at the Bryn Mawr Firemen's Association annual banquet Saturday night.

"The new bridge across the Schuylkill just above Mill Creek," he said, "will make it unnecessary for residents of Bryn Mawr and the Main Line to go five miles out of their way to cross the river at City Line bridge or at Conshohocken in order to get to Germantown, Chestnut Hill, northeast Philadelphia and upper Montgomery County."

The bridge was proposed July 21, 1926, to the Lower Merion

Township Commission, by a committee consisting of Samuel Rea, chairman; R. J. Hamilton, Alfred M. Collins, Parker S. Williams, and A. D. Warnock, who were appointed by W. A. L. Barker, then president of the township commission, to make recommendations of the best route.

Following their report that a stone hollow road, slightly over half a mile above Mill Creek road, Gladwyne, was the most logical approach to the Lower Merion side of Philadelphia's proposed Roxborough bridge, President H. Sykes appointed the following commissioners to confer with the Citizens' committee: A. D. Warnock, chairman, Andrew Macdonald, Henry Delaplaine, Dr.

### W. J. PEEBLES DIES

Was Forty-seven Years in Service of  
P. R. R.

William J. Peebles, for seven years a resident of Narberth, died at his home at 109 Iona avenue last Sunday morning. Death was due to heart failure. The funeral services were held at his home on Tuesday evening with his pastor, Rev. John Van Ness, in charge, assisted by Rev. H. W. Bieber, of Cynwyd. Burial took place at Parnassus on Wednesday.

Mr. Peebles was 69 years of age, and for 47 years was in the service of the Pennsylvania Railroad. For the last 36 years he was engaged in perishable freight work. Mr. Peebles was born in New Castle, Pa., March 5, 1859, beginning his service with the railroad September 12, 1881. Since 1905 he was special agent in charge of perishable freight at Broad Street Station. Mr. Peebles had a host of friends among shippers and receivers of perishable freight throughout the United States and Canada and enjoyed a wide acquaintance among railroad men.

During his entire life he was closely identified with the Presbyterian church. Forty-five years ago he was honored by being chosen Ruling Elder in his church at Pittsburgh, and when he moved to Narberth in 1911 he was chosen to the same position in the local church and held that honored position up to the time of his death. For a number of years he was also superintendent of the Sunday School here in the Presbyterian church.

Mr. Peebles is survived by two daughters, Mrs. Frederick Line-weaver, of Cynwyd, and Mrs. Edward Turner, of New York, and by a son, W. Loxley Peebles, of Narberth.

### SUB-JUNIOR NOTES

The sub-junior section of the Women's Community Club entertained their mothers with a delightful bridge at the home of Mrs. Joseph Chappatte, of Haverford avenue, last Monday evening. Delicious refreshments as well as capdy made by the girls of the club were served. The girls wish to extend their gratitude to Mrs. Chappatte for the use of her home on that occasion.

The next meeting of the sub-juniors will on Monday, March 5, at 7.30 P. M., at the home of Miss Eleanor Rowley, 120 Chestnut avenue.

### MRS. WARNER HOSTESS

The monthly meeting of the Women's Missionary Society of the Lutheran Church will be held on Tuesday, March 6, at 2 P. M. at the home of Mrs. Warner, 523 Dudley avenue.

Miss Elinor J. Diamond, of Woodside avenue, formerly with the Maybell Beauty Shop, is now associated with Miss Helen Farrell, of the Narberth Beauty Shop on Essex avenue.

### Talked at Ardmore

Murdoch P. Clancy, of Wynnedale road, vice president of the Merion Title and Trust Company, who addressed the Ardmore Rotary Club on the subject of business qualifications.

## MATHER ANNOUNCES LOWER RATES HERE

Public Saves Over a Million a  
Year Through Latest  
Reduction.

### EFFECTIVE ON APRIL 1ST

The electric rate in Upper Darby and Haverford townships and vicinity is to be reduced April 1. Announcement to that effect was made this afternoon by J. L. Mather, Manager of the Main Line Division of the Philadelphia Suburban-Counties Gas and Electric Company which filed new electric service tariffs with the Public Service Commission at Harrisburg. Mr. Mather's announcement was made coincident with a statement by Arthur W. Thompson, president of the company that a general reduction in the rate for electricity in the territory served by it would be made on April 1. The company also has reduced the rate for gas in some of its districts.

The Philadelphia Suburban-Counties Gas and Electric Company operates in the counties surrounding Philadelphia. Since November, 1925, the company has made 36 reductions in rates for gas and electricity, with a total approximate savings to consumers of \$1,876,820 annually. The company's territory embraces about 1,400 square miles, having a population of more than 600,000.

A saving of \$1,092,246 annually

CONTINUED ON THE SECOND PAGE

### BASEBALL DAYS COMING

The first robin was reported from various points this week, but a still bigger sign of spring is the announcement of the first 1928 meeting of the Narberth Baseball Club.

This is scheduled for next Friday night, at 8 o'clock, in the fire house. Not only are all the officers, members and players of last year urged to be on hand, but all baseball-inclined citizens will be needed to lend advice and support.

### MANAGES BEAUTY SHOP

Miss Mary R. Gold has taken over the management of the Maybell Beauty Shop at 27 North Narberth avenue. The business was formerly operated by Mrs. Lewis M. Nicholson, who died suddenly last week following an operation.

Miss Gold has had seven years' experience as a beauty culturist.

### DON'T CROWD

Motorists are requested by the Narberth Fire Company not to follow too closely after apparatus going to a fire as they may thereby impede other apparatus. They are also warned to keep beyond the one thousand-foot limit at fires.

### MISSION SOCIETY MEETS

The Woman's Foreign Missionary Society of the Methodist Episcopal Church will meet on Monday, March 5, at 2.30 P. M. at the home of Mrs. William Lamb, 448 Brookhurst avenue.

## PLANS FOR FIRE HOUSE APPROVED

Will Be Submitted to Local  
Contractors for  
Bids.

### TO COST ABOUT \$20,000

At the meeting of the Narberth Fire Company on Tuesday evening, February 28, the chairman of the building committee, E. C. Griswold, announced that the blue prints and specifications for the proposed additions and alterations to the fire house had been approved by the committee and that they will be submitted to contractors who are residents of Narberth for bids. As soon as bids are received and the contract awarded the actual work will commence.

The plans call for two additions and extensive alterations not to exceed \$20,000. The L at the front will be built out with a basement containing the heating plant under it. The front of the engine room will be widened to allow three pieces of apparatus to be placed abreast. A hose tower for the drying of hose will be incorporated in the front addition as well as a police room. A new council chamber will occupy the second floor front of the building and a permanent office for the Superintendent of Public Works. The large hall will be kept the same size by moving the stage back over a new addition at the rear. There will be ample dressing room, kitchen and toilet facilities on the second floor. The rear addition will contain a small hall on the first floor with kitchen facilities and on the second will be the stage and dressing rooms.

The entire building will receive uniform treatment on the exterior. The shingles will be removed from the sides and the walls covered with wire lath and plastered to match the additions. An asbestos shingle roof will be laid over the entire building.

## LYRIC TRIO TO PLAY FOR COMMUNITY CLUB

Well Known Artists Feature Next  
Meeting.

The concert, which is scheduled by the Lyric Trio for the regular meeting of the Women's Community Club on March 6 will doubtless see a larger attendance than the last meeting when there were 96 present. The Lyric Trio needs no introduction to audiences in or near Philadelphia consisting of such artists as Miss Florence Haenle, violinist; Dorothy Powers, harpist, and Ernestine Bacon, lyric soprano.

These distinguished artists have been heard so many times both before audiences in concert work and over the radio in broadcasting that almost every one is familiar with the high standard and beauty of their work. The club is indeed fortunate in having the chance to hear them in person.

There will be no additional guest fee and any member who cares to bring a friend may do so by paying the small guest fee asked for all meetings.

There are two new members entered on the rolls of the Women's Community Club—Mrs. A. J. Bawden, of 1 Woodside avenue, and Mrs. Wayland H. Elsbree, of 321 North Narberth avenue.

### BENEFIT TUESDAY

The American Legion Auxiliary, Harold D. Speakman Post, No. 356, will hold a benefit Tuesday evening, March 6, at Narberth Theater. Tickets may be obtained from Miss Emma Mueller, Mrs. R. C. Collins, Mrs. E. H. Wipf or any Auxiliary member.

### HOLD CARD PARTY

The Welfare Committee of the Women's Community Club will give a card party on Monday, March 5, at 2 P. M. at the home of Mrs. George N. Gill, 216 Dudley avenue. The proceeds are to be devoted to welfare work.

## SEEKS PERMANENT SCHOLARSHIP FUND

Alumni Association Directors  
Name R. J. Hamilton  
to Head Drive.

### HAVE \$10,000 ALREADY

Richard J. Hamilton, Jr., bank president and head of the Ardmore Chamber of Commerce, was appointed chairman of a committee to boost the Alumni Scholarship Fund at the March meeting of the directors of the Lower Merion High School Alumni Association, held last night in Ardmore.

Approximately \$10,000 is on hand, and an equal amount is sought in order that a permanent fund of \$20,000 may be used to pay for four scholarships given one each year to an honor graduate from the Lower Merion High School. Four graduates of the Ardmore institution are at present receiving the benefits of a college education by means of help from the Alumni Association.

Despite payments from the principal of the fund for scholarships already awarded, a balance of approximately \$10,000 remains in the treasury after six years of assistance. It is proposed to raise a like sum in the near future, so that the fund will earn sufficient interest to pay for future scholarship awards without further withdrawals of the principal.

Other members of the committee who were appointed last night are Philip Hart, George W. Brown, Clarence Cornman, William Heyl, Harry Leedom, Dr. Frank P. K. Barker, J. H. Baltz and Paul McCurdy.

Your wife, as well as your sins, will find you out.

Many a man who isn't a liar doesn't tell all the truth that he knows.

## Reduce Gas and Electric Rates

CONTINUED FROM PAGE ONE

to customers of the company will result from the new lower rates for gas and electricity, which have been arranged.

Economies of operation resulting from the consolidation of two companies which formerly served the districts embraced in the new lower rate schedules are responsible for the reductions, according to Mr. Thompson. "The interconnection of electric lines and high pressure gas systems has played an important part in effecting these economies," Mr. Thompson said, in commenting on the net rate schedules for gas and electric service.

"Since November, 1923, the Philadelphia Suburban-Counties Gas and Electric Company has reduced its rates for gas a number of times, with an equivalent yearly saving to the gas consumers in its territory of \$977,227. During the same period the price of electricity to domestic and commercial lighting customers has been reduced, with an equivalent yearly saving to customers of \$899,593."

The new electric tariff eliminates the 11 cent sliding scale schedules. The Borough of Millbourne and the township of Upper Darby, Haverford, Marple, Radnor, Newtown, Tredyffrin, Easttown, Willistown, Upper Merion and Lower Merion.

The new monthly rate for electric service for domestic and commercial customers follows:

First 50 hours' use of meter capacity required (per K. W. H.) 10 cents.

Next 50 hours' use of meter capacity required (per K. W. H.) six cents.

Over 100 hours' use of meter capacity required (per K. W. H.) four cents.

A minimum charge of one dollar per month is made if current consumption for that amount is not registered by the meter.

### To Coach Nine

Roy A. Thomas, former National League star and coach at the University of Pennsylvania for 10 years who has been signed by Haverford College to coach its baseball team this year. He succeeds William B. Haefner who was released from coaching duties to join the Pittsburgh Pirates.

### GIVE THIRD CONCERT

Sunday evening, March 18, has been set as the date of the third concert of the season to be given at the Ardmore Theater by the Main Line Orchestra, under direction of Adolph Vogel. Miss Gertrude Traubel, contralto, will be soloist.

## Gas Rates Reduced!

The following table of Gas Rates for customers where our distributions mains are suitable to supply the service desired becomes effective April 1, 1928. The rates are net per 1,000 cubic feet of gas each month.

FIRST	10,000 cubic feet (per 1,000 cubic feet)	....	\$1.10
NEXT	20,000 cubic feet (per 1,000 cubic feet)	....	1.00
NEXT	20,000 cubic feet (per 1,000 cubic feet)	....	.90
NEXT	150,000 cubic feet (per 1,000 cubic feet)	....	.80
NEXT	300,000 cubic feet (per 1,000 cubic feet)	....	.70
OVER	500,000 cubic feet (per 1,000 cubic feet)	....	.60

MINIMUM CHARGE AT .30 PER MONTH PER METER

The new rates provide substantial reductions for our customers. It is hoped they will promote the use of our service to a greater extent so that further reductions may be made possible.

## Electric Rates Reduced!

The following table of electric rates (net) based on monthly consumption for domestic and commercial customers become effective April 1, 1928.

First	50 hours' use of meter capacity required, \$.10 per KWH
Next	50 hours' use of meter capacity required, .06 per KWH
Over	100 hours' use of meter capacity required, .04 per KWH

Minimum Charge—A charge of \$1.00 per month is made if current consumption for that amount is not registered by the meter.

It is hoped that the reduction provided by these rates will promote the use of electricity for lighting and appliance and refrigeration requirements to a greater extent so that further reductions may be made possible.

Pioneers in Every Proven Safeguard

HIGHWAY REPORT

Paving of Haverford Avenue Below Essex Sought.

The report of the highway committee submitted to Council at the meeting of February 13 by the chairman, Robert F. Wood, which was cut short in last week's issue of Our Town due to lack of room, follows:

During the month property owners on Haverford avenue, west of Essex, and other taxpayers in that vicinity have strongly urged this committee to push forward this year the paving of that section of Haverford avenue. It appears to be the desire of these citizens that permanent paving should be extended westerly at least as far as Conway avenue and probably all of them would be in favor of continuing the improvement to Wynnewood avenue. This section of Haverford avenue was included in the enabling ordinance, which was passed in connection with the \$75,000 street improvement bond issue of 1925 and is thereby eligible to be paved out of funds from that bond issue, which are still available.

The reason why Haverford avenue was not paved when other streets were, in connection with the bond issue program, was because it was impossible to get the Pennsylvania Railroad Company to agree to the terms as one of the abutting property owners. It is necessary, under the bond issue program, for the abutting property owners to install sidewalks and curbs where ordered, to pay in full for the cost of two feet of gutter and 30 per cent. of the cost of paving the cartway. The signatures of four-fifths of the abutting property owners, indicating their agreement to these terms, are necessary before the borough can proceed with the work.

The fact that the Pennsylvania Railroad Company is the owner of all the abutting property on the south side of that extension of Haverford avenue gives them a practical veto on any improvement program so long as they decline to agree to it. The railroad officials intimated three years ago when the general paving program was under way that later when they were able to proceed with the improvements in connection with the Narberth station, it would be more convenient for them to agree to any program of street improvement on Haverford avenue.

On January 30 your chairman addressed a letter to Mr. R. P. Russell, Superintendent of the Philadelphia Terminal Division of the Pennsylvania Railroad Company, telling him of the urgent desire of the property owners and of this committee to put through the Haverford avenue improvement this year, and asking him whether his company would be willing to agree to it. Mr. Russell replied promptly stating that he had asked the division engineer to look into this matter from the viewpoint of the railroad and that we would hear from him as soon as the engineer had reported.

Your committee transmits herewith a deed whereby Jenny B. Loos conveys to the Borough of Narberth a tract of ground comprising the bed of Shirley lane, so called. This deed was drawn under the supervision of the borough Solicitor. It is our understanding that the acceptance of this deed and the recording of it at Norris-town automatically causes Shirley lane to become in every sense of the word a public street belonging to the Borough of Narberth. At the request of this committee the Superintendent of Public Works has made a personal inspection of Shirley lane within the past week, and has reported that in all respects it conforms to the borough standards and requirements. We, therefore, recommend the acceptance of Mrs. Loos's deed and the street which it conveys.

We are informed through the public press that the Public Service Commission has granted the Montgomery Bus Company permission to operate busses through Wynnewood avenue. Experience with the other two bus lines, already routed through the borough, has indicated that the cost of street maintenance on the bus routes is materially increased. There is every reason to believe that Wynnewood avenue, which has not previously been regularly subjected to heavy traffic, will require more immediate and more expensive repairs, because of bus operations thereon than would otherwise have been the case. Your committee therefore, recommends that Council ascertain the legal ability of the borough to levy taxes upon public conveyances and, if possible, to report to Council a new ordinance or an amendment of existing ones whereby the borough will be able to derive from the Montgomery Bus Company a return in taxes commensurate with the extra expense which the busses cause.

During the month of January we collected 932 cubic yards of ashes at a labor cost of \$811.88. In addition, we spent during the same month \$227.76 for labor on street cleaning and \$36.36 for labor on street maintenance, making a total labor expense during January of \$1076. During January four permits were issued for opening the public highways and the fees therefrom amounted to \$41. Of that amount \$27 has been collected and turned over to the borough treasurer.

LENT IS HERE

Lutheran Church Announces Services for Season.

The pastor of the Lutheran Church has announced the services of the church, regular and otherwise, for the Lenten season.

At the Sunday morning services, under the general theme of "Jesus," the following will be discussed:

"The Consistent Jesus," "The Tender Jesus," "The Persuasive Jesus," "The Compassionate Jesus," "The Despairing Jesus," "The Suffering Jesus."

At the Sunday evening services under the general theme of "The Highway to Calvary," the following will be sermon titles:

"The Garden Path," "The Stony Valley Trail," "Main Street, Jerusalem," "The Cobblestone Boulevard," "The End of the Trail."

The Confirmation of the Catechism Class and the reception of new members on Palm Sunday, April 1, will usher in the services of Holy Week. The first four nights there will be community services in the several churches.

Monday night at the Lutheran Church, Rev. Van Ness preaching.

Tuesday night at the Methodist Church, Rev. Keighton preaching.

Wednesday night at the Baptist Church, Rev. Senft preaching.

Thursday night at the Presbyterian Church, preacher uncertain.

On Good Friday between 2 and 3 "The Silent Watch" will be observed by the Lutheran people and their friends. The theme, "Given for You," will be used at the preparatory service for the Holy Communion in the evening at 7.45.

The Lenten season will be climaxed Easter day by the observance of the Holy Communion at both services. In addition the theme of the evening service will be "The Crown of Calvary."

Whosoever will may come.

Despair is the blighted fruit of hope.

Never judge a person's smile by the teeth, both may be artificial.

BUICK

Authorized Service

Quick — — Competent — Courteous — Economical

Buick Authorized Service is as much an asset to every Buick owner as Buick's famous dependability and stamina.

Buick Service is competent Service—rendered by expert mechanics who have been specially trained in Buick construction.

It is courteous Service—for courtesy is a creed among all Buick Authorized Service station employees.

It is quick Service—the result of complete, modern equipment and an ex-

tensive stock of genuine Buick parts.

It is economical Service—for every job is done in the most efficient way.

Buick Authorized Service is worldwide. Wherever the Buick owner drives, he will receive the same fine Buick service that he enjoys in his own community.

If you want the advantages of expert, courteous, reliable service—in addition to princely beauty, superb performance and highest value—make your next motor car a Buick.

# A PAGE FOR NARBERTH'S CHURCHES

## All Saints P. E. Church One of Youngest Narberth Congregations

Founded in 1909, Now Has Membership of 433.

At the corner of Wynnewood and Montgomery avenues, across the Borough line, stands the home of Narberth's Episcopal churchgoers. An attractive building, shaded by trees, its location among estates and large properties lends an air of quiet and dignity.

All Saints Protestant Episcopal Church was founded in 1909 by the Rev. Andrew Swanton Burke, whose brother, Dr. Robert Belle Burke, is now dean of the college at the University of Pennsylvania. The first meetings, consisting of Sunday School and vesper services, were held at his home on Manor Road, Wynnewood.

The cornerstone of the present building was laid in 1910 and the new church was opened for services the following year. The first confirmation services were conducted in the new building on June 30, 1912.

The first board of vestrymen of All Saints was made up of Joseph F. Reed, of Philadelphia; John S. Wallace, of Narberth; Hutton Kennedy, of Ardmore; Arthur Haight, of Narberth; James N. Knipe, of Wynnewood; Walter J. Snyder, of Ardmore; James F. Sherron, of Narberth, and Henry S. Soackman, of Ardmore.

Dr. Burke died on November 16, 1919. The Rev. Gibson Bell, headmaster of the Montgomery Day School, then located across the street from the church, was appointed locum tenens and served in that capacity until December, 1920, when he became rector. The church has grown under his guidance, both in phys-

ical size, and in the number of its members.

The building was consecrated January 30, 1921, by the Rt. Rev. Philip M. Rhinelander, then Bishop of the Diocese of Pennsylvania. Plans in the meantime were being made for a needed enlargement of the little building which had served the congregation of a few years before.

Work was started in the spring of 1922 on the construction of the Parish House and chancel, and was finished in the fall of that year. The enlarged building provided not only for a larger attendance at services, but housed the various other activities of the congregation.

Several memorials have been added to the church since its enlargement. The bell, given by the congregation in memory of Dr. Burke, was dedicated in the fall of 1922. The rood screen, erected in 1925, was a gift in memory of Jacob S. Waln by his wife. In 1926, following the death of Mrs. Waln, the reredos was given by her three daughters, Mrs. Alfred P. Morris, Mrs. Alfred C. Maule and Mrs. John Baird.

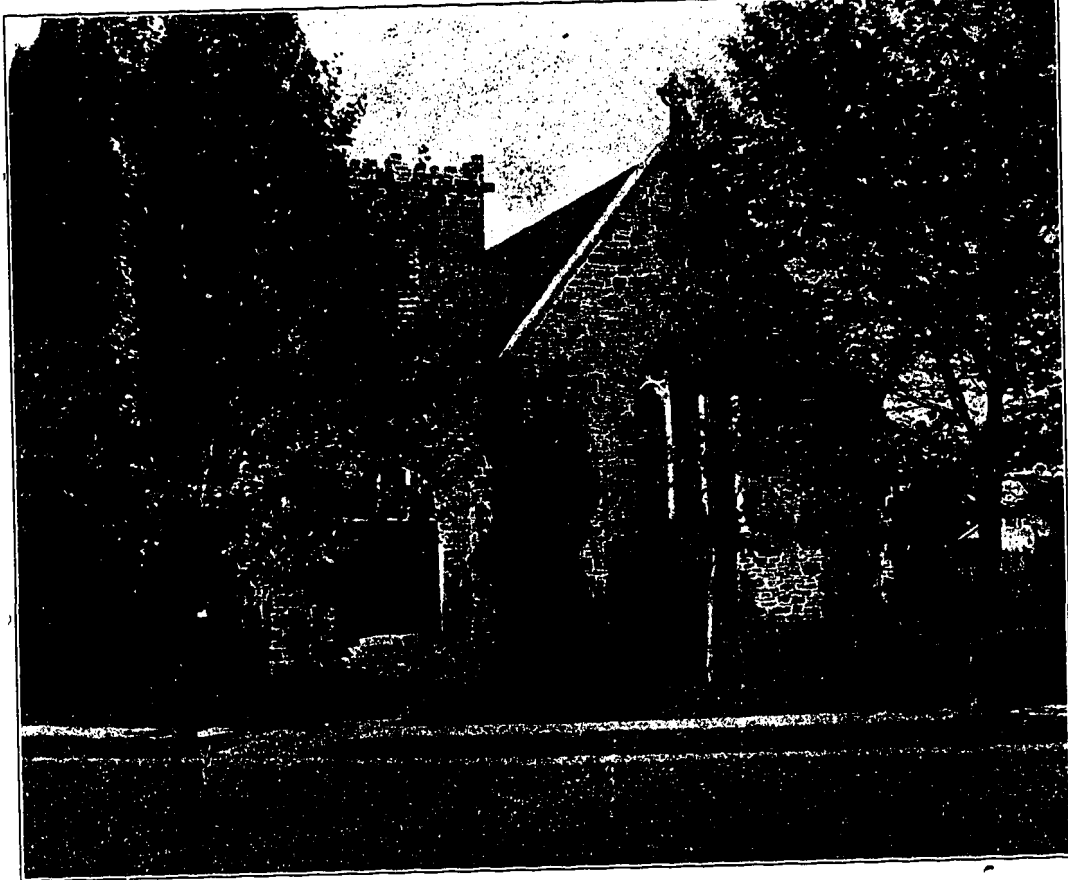

The memorial window was the gift in 1927 of Mrs. A. S. Burke in

11 A. M.

"STEWARDSHIP OF LIFE"

"To have, is to owe."  
"If God is your Partner, make your plans large."  
"The resources of God are promised only to those who undertake the Program of God."  
David Livingstone once said: "I will place no value upon anything I have or may possess except in its relation to the Kingdom of Christ. If anything I have will advance the interests of that Kingdom, it shall be given up or kept, as by keeping or giving it, I shall most promote the glory of Him, to whom I owe all my hopes, both of time and eternity."

You are cordially invited to all the meetings of this church

## WANTED

Men, women and children for whole-time religious work. Apply at the Narberth Baptist Church on Sundays.

DEVOTIONS FOR LENT

Wednesday evening at 8 o'clock—Rosary, Sermon and Benediction.

Friday evening at 8 o'clock—Stations of the Cross and Benediction.

Masses daily at 7 A. M. and 8 A. M.

She Has a Part

Ellen Shaw, secretary of the senior class at Lower Merion High School and one of the students who will have a part in the senior plays to be given April 20. She was also scribe for her class during its junior year, has played on the girls' hockey team, and will probably be one of the commencement speakers at the exercises of the graduating class in June.

LIST 36 ON JUNIOR HIGH HONOR ROLL

Got General Average of 90 and No Subject Below 90.

NAMED AT ASSEMBLY

Thirty-six students received certificates and chevrons at the special assembly for honor day, which was held last Thursday at the Junior High School in Ardmore. This is a signal honor as recognition on the honor roll is only given to those students who have for the marking period of 10 weeks a general average of 90 per cent.

The students for the second quarter who distinguished themselves were Fernanda Amadio, Charlotte, Chambers, Suzanne Holt, Josephine Baker, Josephine Ludlow, Ray Wilson, Richard Sigel, William Smith, Betty Holt, Elfreda Landis, Kathryn Lukens, Bill Macan, R. Edwin Moore, David Thomas, Russell Wood, Grace Werner, Carlyn Goldsmith, Virginia Young, Florence Shaw, Frank Page, Lewis Meyers, Murray Patton, Meredith B. Colket, Jr., Dorothy Dout, Roger Watson, Anne Francis, Helen Bottoms, Edith Diehl, Donald Amesbury, James Bailey, Eleanor Kavanagh, Rose Weigel, Joyce Trenholme, Robert Smith, James Turner, Julia G. Landis.

KIWANIS NOTES

Clarence Roberts was the principal speaker at the meeting of the Main Line Kiwanis Club held at the Casa Del Rey on Tuesday, February 28, 1928.

Among the guests were F. H. Geyer, who came as the guest of Edward W. Elmann and James Grundy, who came as the guest of Richard A. Kerns, Jr.

The attendance prize, presented by Cal Wilson, was won by Filmore A. Hale.

During the course of the meeting Edward W. Elman, who has recently been appointed assistant manager of the Main Line Division of the Philadelphia and Suburban Gas and Electric Company, and superintendent of the western division, was congratulated by the membership on his appointment, and very graciously responded to the congratulations of the members.

George W. Walton, manager of the Vetterlein Company, Ardmore agents for the No-Kol Automatic Oil-Burners, was introduced as a new member who had just been elected to membership in the club, and under the guidance of M. P. Burlingame, chairman of the Committee on Kiwanis Education, was instructed in the duties and obligations of membership and introduced to the other members of the club.

Eldred J. Pennell, chairman of the Program Committee, had arranged the program for this meeting, with Clarence Roberts, of the Pennsylvania Railroad, as the speaker.

Mr. Roberts discussed the extent of the problems of the railroads in general and of the Pennsylvania Railroad in particular, and gave some very interesting statistics on the operation of the railroad with which he is connected.

The meeting adjourned at 7.45.

Wins Verdict

Damages in the amount of \$7850 were awarded recently in court at Media to Mrs. Elizabeth Swann, 130 Conway avenue, Narberth, widow of William Swann, who was killed last June on Sprout road, Villanova, in a motor crash. The verdict against Sutton, defendant, listed negligence on his part as the cause of the collision.

Mrs. Swann's counsel was Williams and Sinkler, of Philadelphia. One of their associates, Homer H. Hewitt, Jr., of Ardmore, tried the case, co-operating with Robert B. Greer, Bryn Mawr, member of the Delaware county bar with offices at Media.

A short girl gets around it by making the stripes on her skirt run in the opposite direction.

He is indeed stung who will not give you a smile.

WANTED BRIDGE SOON

CONTINUED FROM THE FIRST PAGE

Charles Seidel, and George E. Curwen.

The joint committees were requested by President Sykes to confer with authorities in Philadelphia, the county, and the State, and to make recommendations as early as practicable as to exactly what steps the township should take to promote its part of the bridge project.

Suggests Prompt Action.

Mr. Strong in his talk stressed the necessity of prompt action in getting the new bridge under way. "At present," he said, "everyone living in Bryn Mawr and other sections of the Main Line district must either go down to City Line bridge, a distance of almost five miles, in order to get to Germantown, Chestnut Hill, Northeast Philadelphia and Upper Montgomery county, or must go to Conshohocken, a similar distance, and cross the river there.

"Route No. 2 of a series of seven by-pass highways which have been recommended by the Highway Committee of the Regional Planning Federation, assisted by the Highway Departments of Pennsylvania, New Jersey and Delaware, will pass just west of Bryn Mawr, crossing the river a short distance above Mill Creek, and forming a through route between Main Line, Germantown and Chestnut Hill and other points to the East.

Honor Surgeon.

"This route will serve equally well in carrying Main Line traffic around Philadelphia to southern and western points. Specifically, it takes off from New Jersey Route No. 25, a short distance north of Bordentown; crosses the Delaware River between Bordentown and Trenton, picks up the highways radiating from Trenton, and intersects the Lincoln Highway west of Neshaminy Falls.

"From this point it follows the Reading Railway as far as Rydal crossing to the north side of the tracks at Trevose. From Rydal it passes near Glenside and Chestnut Hill, partly over new right-of-way to a proposed new bridge crossing of the Schuylkill near Mill Creek.

"From the Schuylkill River the route passes by existing rights-of-way near Villanova or Rosemont, Broomall and Maple, almost to Swarthmore, where it divides, one branch continuing through Swarthmore, the other following a new right-of-way passing west of Swarthmore, near Wallingford, Brookhaven and Bridgewater and on to the southwest, paralleling the Delaware River about two and a half miles inland, and encircling Wilmington, in this manner intersecting all highways leading from the west into the principal centers, Philadelphia, Chester, etc. "I wish also to emphasize," Mr. Strong continued, "that relief routes for some of the arterial highways out of Philadelphia are essential. Lincoln Highway, which runs directly through Main Line business districts is the most heavily traveled route out of Philadelphia. A relief for this highway was proposed three years ago by the Regional Planning Federation running from Rosemont along Haverford road, eventually connecting with Cobbs Creek Boulevard and crossing City Line by means of a separated grade through Fairmount Park to the Sixty-third street district.

"This route has been constructed as far as Cobbs Creek Boulevard by the widening and improving of Haverford road. Its completion will relieve Lancaster pike of its through traffic, destined to or coming from the Sixty-third street and Sixty-ninth street districts and southern Philadelphia. The removal of a considerable percentage of through traffic from the Lincoln Highway, by this means, will make more accessible the stores in Bryn Mawr and Ardmore whose trade finds it now difficult to reach them because of through traffic which crowds the pike.

Mr. Strong also discussed the need for Lower Merion to develop parks and urged the Firemen's Association members to join in the movement for park acquisition which is now under way in Ardmore and other sections of the Main Line.

Dr. James L. Shoemaker, third vice president of the Bryn Mawr Fire Company, was given a gold wrist watch Saturday night at that association's banquet, held in the Bryn Mawr fire house. The gift was in recognition of his services as emergency surgeon, at fires for a period of many years. Alba B. Johnson, president of the company, acting as toastmaster, made the presentation.

Speakers included Howard Strong, Narberth, regional planning expert, who gave an illustrated lecture on zoning and the Mill Creek park project; and Professor Althouse of Central High School, who praised the firemen for the service which they render the community.

Two hundred diners were present Among the invited guests were Township Treasurer Peter C. Hess, the township commissioners, and the fire chiefs of the Lower Merion and Radnor companies.

Officers of the Bryn Mawr company, who were elected at its annual meeting early in February are: President, Alba B. Johnson; Vice President, Willard B. Touchton; Second Vice President, Joseph B. Allen, Jr.; Third Vice President, Dr. James L. Shoemaker; Treasurer, Jesse H. Hall; Secretary, Thomas F. Scanlon; Financial Secretary, Romeo R. Talone; Assistant

Financial Secretary, James Haggerty; Consulting Engineer, Samuel M. Vaulain; Trustees, George C. Craig, C. E. Wilson, T. W. Hammonds; Chiefs, E. Paul Giersch, Joseph Warner and Charles Hamilton, Jr.

Warren Foulke is chairman of the directors; new members of the board elected this year were John Fitzgerald, William Wilson, Carl Herbert and Albert R. Gray.

## ANNOUNCE SENIOR CLASS PLAYS CAST

Will Be Presented Night of April 20—Radnor Gets Revenge.

## DROP SWIM MEET ALSO

Defeated by Radnor Tuesday night in an exciting extra-period basketball game, 27-26, and out-classed by Upper Darby in a dual swimming meet Monday, Lower Merion High School turned its attention this week to the Senior class plays to be given on the night of April 20.

Shakespeare's "Taming of the Shrew" will be presented in modern dress, and a second play, "Cinderella Married," will be given the same night. Members of both casts are busily engaged in rehearsing their parts and may be heard mumbling their lines as they wend their way through the corridors of the Ardmore institution.

Radnor turned the tables on Lower Merion when it visited Ardmore Tuesday night and won a 27-26 victory in one of the most spectacular frays seen on the Junior High School floor in years. The Maroon and White team had completely outclassed Radnor in a game earlier in the season and entered the contest confident of victory.

### Upper Darby Outswims.

But Captain Lentz and his mates invaded Ardmore with revenge in their hearts after having been defeated in the afternoon by Holyoke in the Penn Tournament—and they got it. Warren Lentz was Radnor's best scorer, while Kohlhas was the big gun for Lower Merion, until he was ousted by the personal foul route in the second period.

The home team's last two games of the season will be played with Norristown next Tuesday, and Abington the following week.

For the second straight year Upper Darby splashed its way to victory in its Suburban Swimming League meet with Lower Merion, downing its rivals in a rather easy fashion. On Monday afternoon in the Y. M. C. A. pool in Ardmore, Upper Darby won its final dual meet against the natators of Lower Merion High School. Lower Merion's boys put up a game battle, but Coach Herzog's mermen were out of their class, winning most of the events in a handy manner.

The visitors started the walk-away by winning the relay, and continued winning every other first place in the meet with the exception of the 220-yard swim, which was won by Beatty, of Lower Merion. Young was the star for Upper Darby, winning the 50-yard free style and getting second in the 100. Beatty won the 220, and was third in the 100 for Lower Merion. The events follow:

### Swimming League Results.

**RELAY**  
Lower Merion—1. Beatty; 2. Nelms; 3. Roach; 4. Foote. Upper Darby—1. Sun; 2. Buhill; 3. Johnson; 4. Young. Won by Upper Darby.

**DIVING**  
Lower Merion—1. Elmore; 2. Roach (2d tie); Upper Darby—1. Taney, (2d tie); 2. Ralston. 1st. Won by Upper Darby.

**50-yard Free Style**  
Lower Merion—1. Foote, 3d; 2. Roach. Upper Darby—1. Young, 1st; 2. Buhill, 2d. Won by Upper Darby.

**50-yard Back Stroke**  
Lower Merion—1. Klemm, 3d; 2. Kimber. Upper Darby—1. Robinson, 1st; 2. Hunter, 2d. Won by Upper Darby.

**220-yard Free Style**  
Lower Merion—1. Dothard, 3d; 2. Beatty, 1st. Upper Darby—1. McAdams, 2d; 3. Mulhern. Won by Lower Merion.

**50-yard Breast Stroke**  
Lower Merion—1. Nelms, 2d; 2. Alexander. Upper Darby—1. Sim, 1st; 2. Hunter, 3d. Won by Upper Darby.

**100-yard Free Style**  
Lower Merion—1. Baty, 3d; 2. Foote. Upper Darby—1. Young, 2d; 2. Schuyler, 1st. Won by Upper Darby.

**Points—Lower Merion, 14; Upper Darby, 46.**

Cinderella.....Hope Burlingame  
Prince Charming.....Robert Kesler  
Robin.....Richard Eby  
Nanette.....Ellen Shaw  
Lady Arabella.....Blanche Morris  
Lady Caroline.....Anne Speed

## EMPLOYEES HOLD A CROWDED MEETING

Two Hundred Counties Gas and Electric Employees Have Program.

## ASSOCIATION IS NEW

The Employees' Association of the Main Line Division of the Philadelphia Suburban Counties Gas and Electric Company held their third monthly meeting at Williamson's Hall, Ardmore, Monday evening, February 27. This is a newly organized association made up entirely and exclusively of the employees of the above company in what constitutes the Main Line Division.

The attendance at these meetings has averaged in excess of 200, which is testimony of the enthusiasm with which the employees enter into the spirit of their association as well as the service of this popular company. The Association is in the hands of employees active in the rendering of public service.

The president is John Gallagher, of the Distribution Department, the vice president is Sam Weir, of the Distribution Department, the treasurer is George Mateer, of the New Business or Sales Department, and the secretary is Miss Mary O'Rourke also of the New Business or Sales Department.

On Tuesday evening the employees were entertained by an address by M. E. Mackey of the Safety First Department and who is in charge of Safety First and Employee Association work, setting forth the advantages to the employees of safety first protections. He also described at length the group insurance plan which this company offers to all of its employees, by which plan they are enabled to carry life, sickness and sickness and accident insurance at a very attractive rate arranged for by their company.

J. Everette Brown, sales manager, addressed the meeting, describing the new business and sales department and its work, as an educational talk to those present.

E. W. Ehmann, assistant manager also reviewed the accomplishments of the association to date.

Following the speakers, a group of employees from the various departments staged a playlet entitled "Quack, Quack," which from the reports we have heard was a tremendous success. Those comprising the cast were:

Lyle Rutty, Jack Keyler, J. Carfrey, D. Longmyer, M. E. Mackey, Miss Eleanor Burns, Mrs. Arthur Frantz, Jos. McConnell, Miss Elise McClare, Mrs. C. Hoffman, Mrs. E. Purring, Mrs. S. Morrison and J. Barnes.

The music was furnished by the "Sympathy Orchestra" composed of employees under the direction of D. B. Davis, Superintendent of Electric Distribution.

After the playlet refreshments were served to everybody and community singing and dancing was enjoyed until a late hour.

### ADVOCATES ORNITHOLOGY

Publisher Tells Business Men to Take up Nature Study.

"The business man without a hobby doesn't often last long after he retires; the man with outside interests is too busy to think about dying," was the theme of a talk on out-of-door hobbies at the Bala-Cynwyd-Narberth Rotary Club.

Philip A. Livingston, local publisher, was the speaker in one of the regular series of talks by members. He is an associate of several naturalists' organizations and editor of "Cassinia," a Philadelphia magazine devoted to ornithology.

Despite the rapid building up of the Main Line, it is possible to study hundreds of species of birds, wild flowers and trees without leaving the towns. The Rotarians, many of whom are fishermen, were urged to learn the birds of the sea-coast visible from the fishing boats.

The 1928 spring migration is just beginning, and nearly 200 different species of birds can be observed in and about the Main Line during the year. Nature study and conservation can be made a lifelong avocation, the speaker declared, of sufficient interest to form an absorbing occupation after business days are over. Hunting, fishing, collecting, sports and other hobbies were touched on.

After the meeting a dozen members repaired to the alleys for bowling practice in preparation for the coming meet with Ardmore.

## The MARCH of EVENTS

in the Fall our thoughts turn to protection against the Winter, to Storm Sash, and perhaps a new Shingle Roof.

But SPRING, we wander in the garden. The new branches on the ramblers seem to be asking for a sturdy Arbor on which to climb. The windows look as though they might be dreaming of flower boxes filled with pink geraniums and periwinkle. The corner shaded by your favorite tree would be so very attractive and comfortable with a Bench and Pergola.

We are very much interested in these "Home Improvements," and have stocked all the material necessary to make them. Have also assembled numerous Designs and Photographs in our Lumber Library, which is always at your service.

## FOR HEALTH—MEATS

1. Rheumatism is an infectious disease—not a dietary disorder.  
2. Abnormal blood pressure is relieved by abstention not only from meat alone, but from an excess of any and all food.  
3. Iron and sulphur needed by the blood are contained in meat in greater concentration than in most other foods; and meat, therefore, should be eaten despite any ascetic prejudices against it that vegetarians have sought to arouse.

These findings of eminent physicians, contained in an article published by Dr. Ruth F. Wadsworth in the October 22, 1927, issue of Collier's, speak for themselves.

## THE FIRESIDE

CONTINUED FROM THE FIRST PAGE

Mrs. H. F. Stevens, of Haverford avenue, entertained last week with a luncheon and bridge party. Her guests were Mrs. Joseph Chappatte, Mrs. J. H. Miller, Mrs. John Abbott, Mrs. J. B. Smith, Mrs. Mary Donnelly, Mrs. D. W. Orth, Mrs. S. E. Jefferis and Mrs. E. H. Cochran.

Mr. and Mrs. A. Lincoln Jacoby and Miss F. B. Jacoby, of the Barrie Apartments, have returned from an extended motor tour through the South. They returned by way of Washington and spent some time Mr. Cook is traveling throughout at the Grace Dodge Hotel.

Mr. Walter George Case is recuperating at his home in Narbrook Park following an operation for appendicitis at the Episcopal Hospital last week.

Mr. Charles Decker, of Wynne-dale road, has returned from a several weeks' visit in Texas.

The Misses Betty and Joan Tilbury entertained several school friends at a Washington birthday party at their home on Lantwyn lane last week.

## NASH IS LEGION SPEAKER

CONTINUED FROM THE FIRST PAGE

by Lower Merion, Haverford and Radnor townships.

"The securing of the playground and civic center at Windsor and Haverford avenues and Wynnewood road by the borough, giving it the finest playground and park space on the Main Line, was an unequalled step in civic improvement. This land was secured by the borough at a price considerably lower than that which was offered by speculative buyers. The farsightedness of the residents of Narberth was well demonstrated by their 5 to 1 vote to borrow the money necessary to complete this purchase, even if by doing so they would increase their taxes."

The street paving program by which all the unimproved streets were paved giving Narberth at the present time better roads than any surrounding community, was cordially endorsed by Mr. Nash. "The advantageous location of Narberth," Mr. Nash continued, "with the unexcelled Main Line railroad service is one of its biggest assets. The avoidance of driving through the city streets in motoring from Narberth to the center of the city by going through Fairmount Park and the Parkway is another unique advantage of our location."

"Narberth is often referred to as being in a pocket. This, in the speaker's judgment, is a distinct advantage and not a handicap since it acts as a guarantee of the continuation of restful suburban home life. It will not be marred by the constantly increasing through traffic which means nothing to the community except additional expense in road repairs for the accommodation of speeding motorists and heavy overlaid trucks."

## SKETCH OF ALL SAINTS

CONTINUED FROM PAGE FIVE

memory of her mother, Mrs. Suzanne H. Fay. The litany desk is a memorial to Earl Fletcher Smith, son of Mr. and Mrs. John F. Smith, of Elm Terrace, who died in the service of the country during the World War.

The church has a volunteer choir of forty voices, under the direction of David Spratt as organist and choirmaster. A splendidly trained boy choir is part of this organization, and has been often rated as one of the finest in the Philadelphia district.

The Sunday School, of which C. B. Claffin is superintendent, meets at 10.00 A. M. It has a membership of 140. The Women's Auxiliary meets every Monday at the Parish House. The Wynnewood troop of Boy Scouts is conducted with the support of the church.

The Young People's Fellowship, an organization for the younger members of the parish, was organized early in 1927. Its regular meetings are held every Sunday. During the past year it has given a banquet to the parents and a musical comedy, both affairs being eminently successful. It numbers fifty in its membership.

The Fellowship undertakes some benevolent work each year. Its first was paying half the tuition of a boy at the church farm on Lancaster pike near Downingtown.

The membership of the church includes 433 baptized members and 274 communicants. Its mem-

bership is drawn largely from Norberth and Wynnewood. The present vestry is composed of: Rector's Warden, D. L. Schwartz; Accounting Warden, Daniel Leitch; Secretary, John Hopkings; Treasurer, James N. Knipe; C. B. Claffin, Frederic A. Ebdore, Holstein DeH. Fox, J. O. Hackenberg, Alfred C. Maule, William A. McCrae, W. Hancock Payne, A. B. Ross and L. Caspar Wister.

## To Answer Query What to Wear.

What do you want to know? Yes, the League of Women Voters did agree to answer questions—and without being asked, it plans to answer the perennially interesting question of "What to Wear." What is the newest and best in coats and hats as well as dresses and evening clothes and such a delightful way of doing so—How? By attending the card party given March 19, 1928, at 2 P. M. by the League of Women Voters at Strawberry & Clothier's on the fifth floor.

## Better Schools! Lower Taxes

Have You  
Been a  
Juror?The  
IndictmentWhere  
the Money  
Went

Jury service is a responsibility of citizenship wherein we are called upon to repress emotions, control our prejudices and render a verdict based on the evidence submitted.

As a juror you would not be influenced by the opinion of Smith, Brown or Jones—but by the evidence at hand.

The fact that the Narberth Borough resident pays \$1.60 for every one dollar that his Merion neighbor pays in taxes, is an indictment of that system which imposes such an economic handicap. Prima facie the verification of this fact proves the case.

The first duty imposed upon the local political unit—the protection of persons and property. We hire our police protection from the township.

Next comes the provision of the means for free education for every child between the ages of six and eighteen years. In Narberth Borough we maintain a school plant for those from six to fifteen years and hire township facilities for those fifteen and eighteen inclusive.

Then comes the various public utilities, probably in order of importance as follows: Water supply—for that service we grant a franchise to a private company—each resident paying for his individual service. Fire Protection—Narberth Borough and Township alike have private fire companies both supported in part from private drives and taxes. Sewers—the borough resident's tax bill includes sewer rental. The township resident pay a rental of \$3.00 per bathroom connected.

Gas, electricity, transportation. Both residents are served by the same private corporations operating under franchise granted.

Street improvements—In the borough practically all streets are paved; and in the township, practically all streets that are "built up," i. e., where the abutting properties are improved are paved.

Health departments, building inspection, regulation of milk supply, etc., are functions carried on in both units. The borough arranges with the township for its milk inspection. In both units garbage is removed out of the common fund (taxes) while in the borough the removal of ashes is included. In the township this function is being done in some sections in an experimental way, but as yet in general the resident arranges with private contractors for this service. The cost per week for having the ashes taken from the basement and sweeping up ranges in sections from 50 cents to \$1.00 per week for the heating season.

Are we not by our self-imposed political isolation denying ourselves a voice in the government of the township in which we reside? We cannot get in or out of our area without using the township highways; we hire certain school, police and sewer facilities, but have no voice in the government thereof.

What do we get for the \$1.60 that our Merion neighbor does not get for \$1.00? Say we get back in sewer and ash service 17 cents. We still are paying \$1.43 against the Merion man's \$1.00.

As a school district, the township has twice the wealth of Narberth (just twice the assessment per child of school age). With a school tax rate of 15 mills against our 19 mills they are building schools out of income. Is it right to deny our children those superior advantages?

What is the  
Defense?What Will  
Be the  
Verdict?

## Better Schools---Lower Taxes Committee

"Co-operation Cuts Cost." But nobody cuts below the co-operative price; the best they can do is to sell "as cheap as that." We are members of the biggest co-operative wholesale grocery organization in the country. It seems too bad that every four years business throughout the country has to pass through a period of doldrums due to the question of who is to be the next President. Wouldn't it be a wonderful thing if people would just go ahead in their normal ways, without scanning the horizon constantly for something to be afraid of or to worry about? In fact, we are inclined to believe that the who shut their ears to the tales of the down-hearted ones who wear lous faces, and so on about our business earnestly and vigorously, will do about as well during the spell of the Presidential year as at any other time. It seems to us that it is pretty much a question of determination and effort."
